

GARDEN STATE PAINT HORSE CLUB
May 12, 2009

The meeting was called to order at 8:10 PM by the President, Marjorie Moser, at the Woodstown Diner. In attendance were: Judy Moyer, Ken Ware, Sigrid Ware, John Moser, Margie Moser, Mary Kensler, Julie Bishop, John Bishop, Jane Munn, Debbie Kinney, Sharon Tishner, Mark Clement, Dorothy Quirk.

TREASURER'S REPORT: John Moser reported a balance on hand of \$15,002.00. The airline tickets have already been ordered and paid for the July show.

April Horse Show Financial Report: All the show bills have been paid at this time. There were thirteen unrented stalls that the Club had to pay for (for a total of \$455.00) since they were "used" or dirtied. It was recommended that we use "wire ties" at the next show to "lock" stalls that are not tagged. The total rental fee for the show at the Dream Park was \$9,115.00. It is estimated that the comparable price for the Gloucester County Fairgrounds would have been \$7,000.00 plus the additional cost of renting portable stalls.

ZONE 7 SHOW SPONSORSHIP: Marjorie read a letter from Carolyn Burt, Vice Chairperson of the Zone 7 Show Committee, requesting sponsorships from the area Paint Clubs, companies, and individuals. Dorothy Quirk noted that all the income from the Zone Show goes back into producing the Zone show the following year, including the awards, etc. The members present expressed their wish to have Garden State Paint sponsor the printing of the Zone pattern books so that they could be distributed to the exhibitors at no charge. Dorothy will contact Jill Pacelli, Chairperson, Zone 7 Committee, and see if that is a possibility. Motion was made (Munn/S. Ware) and passed that Garden State Paint donate \$250.00 to the Zone 7 Show but that they would have the ability to decide what the \$250.00 would be used for or donated to. Once a reply is received from Jill Pacelli, the Executive Board will make a decision on the \$250.00 expenditure. This will be done by the end of May. Judy Moyer recommended that a Garden State Paint Club decision on donating to the 2010 Zone Show be finalized by the end of the previous year.

CORRESPONDENCE: Correspondence was received from Judy Ford, Colorado, requesting donations for a Therapeutic Riding program. This will be considered as

a possibility for our Green Horse/Green Rider donation at the end of the show season.

NJ BRED MEETING: Julie Bishop reported that the Equine Advisory Board's NJ Bred Committee will be meeting to discuss proposals for the 2010 NJ Bred rules. Julie has reviewed the proposal and has several questions about the implementation. Motion was made (Kinney/J. Moser) that Julie give her recommendations and questions to Marjorie, who will be attending the Equine Advisory Board meeting this month.

SHOW COMMITTEE: Judy Moyer sent out a "Blast" from the website asking for opinions on holding Trail and/or Timed Events on the Friday evening prior to the Fourth of July Show. There were six responses received. All responses agreed to hold the Trail Classes on Friday evening. After much discussion the motion was made (K. Ware/M. Moser) and passed that we keep the same show schedule as the April show since it was felt that May is too close to the July show date to change anything on the class list.

Jane Munn suggested that the vendor fees (which the Dream Park requires) should be written to and paid directly to the Dream Park, not to Garden State Paint.

SHOW OFFICE COMPUTER OPERATOR: Patty McHugh has expressed her desire to not continue working on our show week-ends due to her own weekly/week-end work load. Motion was made (Julie Bishop/K. Ware) and passed that the position be offered to Heather Mounts for the same fee as Patty has been paid. Marjorie will contact both Patty and Heather.

SHOW HIGH POINTS: It was discovered that there was a mistake made in the presentation of the April show High Point winners. The Open High Point was Sharon Horn and Ashley Bevis was Reserve High Point. The Club will purchase a new High Point certificate for Sharon. The July High Point winners will be announced at the show but the High Point certificates will be mailed to the winners after the tabulations have been double checked following the conclusion of all the classes.

CLUB TAXES: John Moser reported that the tax laws have changed. Previously Clubs that had under \$25,000.00 in the bank did not have to file. However, the laws have changed and now any Club doing \$25,000.00 of business during the year has to file.

JERSEY BRED: Motion was made (M. Moser/S. Ware) and passed that, if necessary, at the end of the show season we will adjust our required Jersey Bred point totals so that the Club will receive all their possible Jersey Bred money this year.

DREAM PARK - FOOD CONCESSION: Marjorie reported that the Show Committee had given the Food Concession a list of items they would like sold e.g. sandwiches, less fried food, etc. at the April show. None of the items were provided.

EARLY SHOW ARRIVALS: The GSPHC website now states that horses are not to arrive on the show grounds prior to noon of the day preceding the show and the Park gates will not be unlocked until that time. It was noted that trailers started arriving at 3:00 AM on Saturday morning. The \$100.00 charge for trailers who make arrangements and arrive early for shows is in our contract with the Dream Park.

SUNSHINE CLUB 50/50: The 50/50 tonight was won by Sharon Tischner, who donated her winnings back to GSPHC.

The meeting was adjourned at 10:25 PM.

Respectfully submitted,
Dorothy Quirk
