MINUTES: After a reading of the minutes, it was noted that the Versatility Class Bake Sale, reported to be held in January, will be re-scheduled for March 13.

TREASURER'S REPORT: Mary Kensler reported a balance on hand of \$15,299.00. She reported that she had received a check for \$100.00 from APHA for the two APHA Tractor Raffle tickets which GSPHC Youth Club members sold. She, in turn, wrote a check to the Youth Club for \$100.00. Motion was made (Kinney/Munn) and passed that Mary Kensler be reimbursed \$36.49 for costs associated with mailing the Club's 1099 forms.

GSPHC TRAIL RIDE AT THE DREAM PARK: More information is needed before this can be planned e.g. possible permits required, available dates, etc.

SHAVINGS: Barbara Mantini will check with both the Dream Park and Coleman's to see what they will charge us for shavings this year. Jane Munn will check with Frank Chick and see where he is getting his shavings. Patti Cerio volunteered to check with her brother and see if he would be interested in bringing down a trailer load of shavings. Motion was made (Cerio/Nolasco) and passed that the Club not provide any free shavings with the stall rentals this year,

NSBA CLASSES: Patti Cerio reported that the deadline for Clubs to submit applications to NSBA in order to hold NSBA Stallion Incentive classes is March 15. In turn, those Clubs approved by NSBA would receive approval notification no earlier than May 1. These classes would be totally funded by NSBA. The Club would be required to pay NSBA \$75/judge used and \$3/judge from each entry fee. Patti recommended that we not hold NSBA classes at this time.

APRIL GSPHC MEETING: Motion was made (Kensler/Cerio) and passed that the Club hold a May membership meeting (first Monday of May), following the April show, to reconsider any September Show classes.

CLASS SPLITS: Motion was made (Cerio/Kensler) and passed that any rail class of 22 or more entries be split. As noted in the September 14, 2009, minutes - "the split be made by bringing all the class entries into the ring and then dismissing half of them. All back numbers from the two cuts (up to 6 per card) appearing on a judge's card will come back for the finals."

OFFICE COMPUTER PERSON: Barbara Mantini reported that Heather Mounts will be doing the office computer work for GSPHC this year. She quoted Heather a fee of approximately \$500.00, depending on the number of entries in the show. She will need two nights lodging. Debbie Kinney offered her living quarters trailer if she would like to stay on the grounds.

ANNOUNCER: The announcer for the July show will be Francene Brown. She has not yet confirmed her availability for April.
